Quattro, 4-Motion, Syncro = 4WD

All prices contain the **shock-absorber-kit** for the front + rear (if not differently marked)(but **without air-management-kit**)

All prices are **inclusive the german value added tax** (19%). You have to add the shipping-costs from your country.

B = You have to prepare the original shock-absorber-brackets from **the front** of your car by yourself.

We will deliver a preparation-instruction together with the parts.

i.V. = in construction

X = For the **X** marked cars we have component-document / quality report / component-certificate.

For all car-makes **without X**-marking we don't have component-certificate. These airride-suspensions are not allowed in road traffic / not legal on street.

For all vehicles registered in countries other than Germany apply:

Please check before ordering if the german component-certificate will be accepted into your country. We can not give you you a guarantee, that the airride-suspension will be entered into your car-document to your country.

For the component-certificate we need a copy of your car-registration-document.

Please send it together with the order to our email-address: marketing@lufffahrwerke.de

After the delivery of the airride-parts (sending out of the packages), no component-certificate will be send out afterwards.

The shipping-costs were online (www.airride.de / Downloads)

G.A.S. shock-absorber-kit MR.AIRRIDE contains:

- 4 pieces = non-adjustable MR.AIRRIDE-shock-absorbers (for the front and rear) with airbags, aluminum-plates
 - 2 pieces = **stainless-steel-hoses** with swivel fitting + push-in-connection **for the front**
 - 2 pieces = **stainless-steel-hoses** with push-in-connection **for the rear**
 - 1 piece = silicone-spray (for the care of the airbags)
- inclusive component-certificate (if available for the car-make / please see the X-mark to the car-make-list)

G.A.S. shock-absorber-kit V1 contains:

- 4 pieces = non-adjustable G.A.s.-shock-absorbers (for the front and rear) with airbags, aluminum-plates
 - 2 pieces = **stainless-steel-hoses** with swivel fitting + push-in-connection **for the front**
 - 2 pieces = **stainless-steel-hoses** with push-in-connection **for the rear**
 - 1 piece = silicone-spray (for the care of the airbags)
- inclusive component-certificate (if available for the car-make / please see the X-mark to the car-make-list)

G.A.S. shock-absorber-kit V2 contains:

- 4 pieces = **adjustable Koni-shock-absorbers** (for the front and rear) with airbags, aluminum-plates
 - 2 pieces = **stainless-steel-hoses** with swivel fitting + push-in-connection for the front
 - 2 pieces = **stainless-steel-hoses** with push-in-connection for the rear
 - 1 piece = silicone-spray (for the care of the airbags)
- inclusive component-certificate (if available for the car-make / please see the X-mark to the car-make-list)
